Rockhaven was established in 1923 by psychiatric nurse Agnes Richards for women with "mild mental and nervous disorders." In 2008, the property was purchased by the City of Glendale. Rockhaven is a beautiful place full of remarkable stories. Learn a little about the women touched by this place and hopes for the future.

Our speaker is Joanna Linkchorst. Joanna is president and co-founder of the Friends of Rockhaven. A lifelong Crescenta Valley resident, she is a mother of two, wife of one.
